ERRATA

We regret a few errors in the article,

ANTERIOR RECURRENT DISLOCATION OF SHOULDER

by A. K. Saha, vol. 38, 479-493.

Page 482, line 3 should read:

“when the relative antetorsion of the upper end of the humerus is *maximum*, is taken over by the infraspinatus . . .”

Page 484, line 15 should read:

“. . . Eden-Hybbinette operation is *the method of choice* . . .”
